III International Scientific Conference

**“CURRENT PROBLEMS OF GREENERY PLANTING:
EDUCATION, SCIENCE, PRODUCTION, LANDSCAPE
FORMATION”**

The tenth anniversary of the beginning of training of forestry and landscape architecture experts in BNAU

May, 25–26, 2017

Invitation

**Bila Tserkva
2017**

DEAR COLLEAGUES!

We invite you to attend the Third International Scientific Conference “**Current problems of greenery planting: education, science, production, landscape formation**”, which will be held from 24–26 May, 2017 based on Bila Tserkva National Agrarian University.

Following sections are expected to work:

1. Current experience of greenery planting of populated locations and ways to solve existing problems;
2. Experience of training of forestry and landscape architecture experts: achievements, problems and prospects;
3. Ornamental Nursery - the basis of the national green building: problems and prospects;
4. Problems of functioning of forest communities and shelter forests and their recreational role;
5. Biodiversity of ecosystems and modern plant protection strategy.

Form of participation:

1. Report to the plenary
2. Report on sections
3. Poster report
4. Report on Skype

Conference languages: Ukrainian, Russian and English.

The registration fee for participation in the conference is 100 UAN, which includes the cost of information materials, excursions, coffee break. You can pay extra for the cost of lunch and friendly dinner during registration.

Conference provides for excursions to arboretum “Alexandria” of the NAS of Ukraine, landscaped park in the village Buki, Skvyrs'kyy district, excursion around the town of Bila Tserkva. Detailed organizational issues and the conference program will be covered in the next announcement.

APPLICATION

to participate in the Third International Scientific Conference “**Current problems of greenery planting: education, science, production, landscape formation**”

1. Country _____
2. The name of the institution (organization) _____
3. Surname _____
4. Name _____
5. Middle name _____
6. Year of birth _____
7. Academic degree, academic rank, place of employment, position _____

- 8 Title of a paper (article, abstracts) _____
9. Section name _____
10. Participation form _____
11. Technical support of a report _____
12. Business address, phone, fax, e-mail _____
13. Need for hotel _____
14. Participant's signature _____
15. Date _____

(Application should be executed on each author's publication)

Proceedings will be published:

1. Articles in the collection of scientific papers of Ukrainian National Forestry University in the form of article (as required by the Department of Certification of Personnel of Ukraine).
